DANCING

EEDA's European Championships
for Same-Sex Dancing

Davy Brocatus
President of the
European
Equality Dance
Association

EUROGAMES LYON 2025★

As President of EEDA, I would like to welcome all dancers and their friends to the EuroGames Lyon 2025 and EEDA's European championships for Equality and same-sex dancing.

Equality dancing, including same-sex dancing, is one of the most attractive sports at the EuroGames promoting both high-quality dancing and friendship through dance.

I am delighted that since the last EuroGames we have changed our name from ESSDA (European Same-Sex Dance Association) to EEDA (European Equality Dance Association) to be more inclusive of the LGBTQI+ community and reflect the changes we have seen since our inception in 2007.

Recognition of equality dancing by the general public continues to grow with many countries including same-sex couples in their version of Strictly Come Dancing (Dancing with the Stars). Equality dancers are also gaining wider recognition in the dance world and are beginning to receive the spotlight that they deserve.

We are very proud that at this year's EuroGames, EEDA will again grant the official titles of European Same-Sex Dance Champions. We are also very pleased to see the inclusion of open equality categories which we will recognize with EEDA Equality Medals. We are indebted to the Lyon Dancesport team for all their hard work in organizing such a great event and hosting the EEDA championships.

The EEDA Board is very grateful for the active support of all our members and is always looking for new people to join the Board. If you are interested, please get in touch with any of the current Board members.

The board of EEDA wishes everyone a very successful and joyful tournament!

Yours sincerely,

Davy Brocatus
